

Grupo 2 - Feature #22

Feature # 89 (New): Construcción y Modelamiento del Robot

Comienzo de Ensamblado de Robot

09/05/2017 09:46 AM - Jean Paul Vadulli

|                                                                                                    |              |                        |             |
|----------------------------------------------------------------------------------------------------|--------------|------------------------|-------------|
| <b>Status:</b>                                                                                     | New          | <b>Start date:</b>     | 09/05/2017  |
| <b>Priority:</b>                                                                                   | High         | <b>Due date:</b>       | 09/14/2017  |
| <b>Assignee:</b>                                                                                   | Ivan Vasquez | <b>% Done:</b>         | 100%        |
| <b>Category:</b>                                                                                   |              | <b>Estimated time:</b> | 12.00 hours |
| <b>Target version:</b>                                                                             |              | <b>Spent time:</b>     | 0.00 hour   |
| <b>Description</b>                                                                                 |              |                        |             |
| Se comenzará a realizar el ensablado de del robot a base de MindCuber y sus bases dentro de la web |              |                        |             |

History

#1 - 09/14/2017 10:57 AM - Sebastian Henriquez

- Due date changed from 09/12/2017 to 09/14/2017
- % Done changed from 20 to 80
- Parent task set to #89

#2 - 09/28/2017 09:08 AM - Jean Paul Vadulli

- % Done changed from 80 to 100
