

## Grupo 1 - Issues

| #  | Tracker | Status | Priority | Subject                                     | Assignee          | Updated             |
|----|---------|--------|----------|---------------------------------------------|-------------------|---------------------|
| 85 | Feature | New    | Normal   | Corrección de errores                       |                   | 11/23/2017 09:03 AM |
| 84 | Feature | New    | Normal   | Etapa de pruebas                            |                   | 11/23/2017 09:03 AM |
| 78 | Feature | New    | High     | Modificar el robot                          | Javier Sanchez    | 10/05/2017 12:36 PM |
| 63 | Feature | New    | High     | Fases del proyecto                          |                   | 11/23/2017 09:03 AM |
| 62 | Feature | New    | Normal   | Fase 4                                      |                   | 11/23/2017 09:03 AM |
| 58 | Feature | New    | High     | Fase 3                                      |                   | 11/16/2017 08:17 AM |
| 56 | Feature | New    | High     | Fase 2                                      |                   | 10/05/2017 12:36 PM |
| 55 | Feature | New    | Normal   | Construir el robot                          | Simon Muñoz       | 09/14/2017 10:24 AM |
| 53 | Feature | New    | Normal   | Fase 1                                      |                   | 09/14/2017 10:24 AM |
| 49 | Feature | New    | High     | configuración remota                        | Felipe Valenzuela | 11/16/2017 08:17 AM |
| 47 | Feature | New    | Low      | Finalizar el proyecto                       |                   | 11/23/2017 09:04 AM |
| 44 | Feature | New    | High     | diseñar algoritmo 3                         |                   | 10/05/2017 12:35 PM |
| 43 | Feature | New    | Normal   | diseñar algoritmo 2                         |                   | 10/05/2017 09:03 AM |
| 42 | Feature | New    | Normal   | diseñar algoritmo 1                         | Felipe Valenzuela | 10/03/2017 10:47 AM |
| 41 | Feature | New    | High     | Programar a RobotZuelo                      | Felipe Valenzuela | 10/05/2017 12:36 PM |
| 40 | Feature | New    | High     | Preparación de la presentación del proyecto |                   | 09/14/2017 10:45 AM |
| 23 | Feature | New    | High     | Entrega Primer Informe (v1)                 |                   | 09/14/2017 10:44 AM |
