

## PROYECTO II 2021 DAAP - Issues

| #    | Tracker | Status      | Priority | Subject                                                                          | Assignee      | Updated             |
|------|---------|-------------|----------|----------------------------------------------------------------------------------|---------------|---------------------|
| 1670 | Feature | Resolved    | Normal   | Estudiar Android Studio                                                          |               | 12/19/2021 08:24 PM |
| 1665 | Feature | In Progress | Normal   | Mostrar Programacion del sistema                                                 |               | 12/21/2021 03:16 AM |
| 1664 | Feature | Resolved    | Normal   | Pruebas experimentales                                                           |               | 12/21/2021 03:16 AM |
| 1663 | Feature | Resolved    | Normal   | Informe Final                                                                    |               | 12/21/2021 03:16 AM |
| 1662 | Feature | New         | Normal   | Presentación Final                                                               |               | 12/21/2021 03:16 AM |
| 1661 | Support | Resolved    | Normal   | Manual de usuario                                                                |               | 12/21/2021 03:14 AM |
| 1660 | Feature | Resolved    | Normal   | Presentacion avance 2                                                            |               | 12/19/2021 08:24 PM |
| 1659 | Feature | Resolved    | Normal   | Informe II                                                                       |               | 12/19/2021 08:24 PM |
| 1658 | Feature | Resolved    | Normal   | Diseñar la interfaz de la APP                                                    |               | 12/21/2021 03:13 AM |
| 1657 | Feature | Resolved    | Normal   | Presentacion avance 1                                                            |               | 12/19/2021 08:18 PM |
| 1652 | Feature | New         | High     | Desarrollo y Ejecución del proyecto                                              |               | 12/21/2021 03:17 AM |
| 1651 | Feature | Resolved    | Normal   | Presentación de los escenarios del problema y la solución                        |               | 10/19/2021 04:55 PM |
| 1650 | Feature | Resolved    | High     | Definición inicial del proyecto                                                  |               | 10/19/2021 04:54 PM |
| 1649 | Feature | In Progress | High     | Programacion                                                                     |               | 12/21/2021 03:17 AM |
| 1648 | Feature | New         | Normal   | Cierre de proyecto                                                               |               | 12/21/2021 03:16 AM |
| 1647 | Feature | In Progress | Normal   | Realización de informes                                                          |               | 12/21/2021 03:16 AM |
| 1646 | Feature | Resolved    | Normal   | Informe I                                                                        |               | 12/19/2021 08:24 PM |
| 1566 | Support | Resolved    | Normal   | Desarrollo de la idea y las posibles herramientas a utilizar en ella             | Ismael Rojas  | 10/16/2021 07:54 PM |
| 1565 | Support | Resolved    | Normal   | Correccion del informe final                                                     | Ismael Rojas  | 12/16/2021 07:49 PM |
| 1564 | Support | Resolved    | Normal   | Fase preliminar de la idea propuesta                                             | Ismael Rojas  | 12/16/2021 07:47 PM |
| 1557 | Support | Resolved    | Normal   | Documentación y formas de uso                                                    | Ismael Rojas  | 12/16/2021 07:49 PM |
| 1556 | Support | Resolved    | Normal   | Pruebas de Usabilidad                                                            | Victor Castro | 12/16/2021 07:49 PM |
| 1555 | Support | Resolved    | Normal   | Guardar sitios preferidos y frecuentes del usuario                               | Olver Arce    | 12/16/2021 07:49 PM |
| 1554 | Support | Resolved    | Normal   | Dirigir al usuario                                                               | Ismael Rojas  | 12/16/2021 07:48 PM |
| 1553 | Support | Resolved    | Normal   | Encontrar un sitio                                                               | Olver Arce    | 12/16/2021 07:48 PM |
| 1552 | Support | Resolved    | Normal   | Agregar asistente de voz de datos                                                | Victor Castro | 12/16/2021 07:48 PM |
| 1551 | Support | Resolved    | Normal   | Filtro datos en un determinado radio de distancia                                | Victor Castro | 12/16/2021 07:48 PM |
| 1550 | Support | Resolved    | Normal   | API google maps y prueba funcionamiento                                          | Olver Arce    | 12/16/2021 07:48 PM |
| 1549 | Support | Resolved    | Normal   | Modelos gráficos UML, Entidad Relación, Mockups                                  | Olver Arce    | 12/16/2021 07:48 PM |
| 1548 | Support | Resolved    | High     | Aprendizaje Android Studio con Git                                               | Victor Castro | 12/16/2021 07:47 PM |
| 1536 | Support | Resolved    | Normal   | Finalizacion de la presentacion del escenario del problema, y el informe de esta | Ismael Rojas  | 10/16/2021 07:54 PM |
